Thanks Valois. It has been a crazy week for me and I was out of the office when you called. Thanks for the nice explanatory voice mail. Yes, I am still the D-B NEPA lead.

Ex. 5 Deliberative Process (DP)

Jennifer and Phil – FYI. I can fill you in next week...maybe I will forward you Valois's voicemail. It provides a nice explanation of what is happening.

Subject: NRC Timeline for updating the Dewey-Burdock SEIS

Hi Lisa,
Following up on the voicemail I left with you, attached is the NRC's proposed timeline for updating the Dewey-Burdock SEIS. The webinar scheduled in the timeline for the week of May 28 took place on June 1 and June 4. The target date for releasing the draft document for a 45-day public comment period is Mid-February 2019.
Thanks!

Valois
